PROFLOR

CARE & PACKAGING

2027 COLLECTION

Proflor care & packaging

Your Reliable Partner

We are proud to present our latest catalogue. In addition to providing a complete overview of our range of packaging for flowers and plants, this catalogue also reflects how Proflor has developed over the past few years. Proflor has experienced significant growth. To accommodate this growth, we relocated twice within a relatively short period of time. Today, we operate from a spacious, future-ready location that enables us to serve our customers even more efficiently.

Our product range has expanded considerably as well. Alongside our trusted products, we now offer an increasingly wide range of packaging solutions for transport, presentation and custom-made applications. Throughout everything we do, quality, functionality, speed and strong stock availability remain at the heart of our business.

We have also taken a major step forward digitally. With our new webshop, it is now even easier to explore our range, find the right products and place orders directly online.

What has remained unchanged throughout all these developments is the way we work. From the heart of the flower industry in Aalsmeer, we are ready every day to support growers, exporters and florists. We think along with our customers, respond quickly and work together to find the right solution. We offer everything from products available directly from stock to fully customised solutions tailored to your specific requirements.

We warmly invite you to discover our new catalogue and be inspired by the many possibilities.

Do you have a specific request or question? Please feel free to contact us. We are always happy to think along with you.

Uw betrouwbare partner

Met trots presenteren wij onze nieuwste catalogus. Naast een compleet overzicht van ons assortiment verpakkingen voor bloemen en planten, laat deze catalogus ook zien hoe Proflor zich de afgelopen jaren heeft ontwikkeld.Proflor heeft een enorme groei doorgemaakt. Om ruimte te maken voor deze groei zijn we in korte tijd twee keer verhuisd. Inmiddels werken we vanuit een ruime, toekomstbestendige locatie, van waaruit we onze klanten nog beter en efficiënter kunnen bedienen.

Ons assortiment is de afgelopen jaren sterk uitgebreid. Naast onze vertrouwde producten bieden we steeds meer verpakkingsoplossingen voor transport, presentatie en maatwerk. Daarbij blijven kwaliteit, functionaliteit, snelheid en een goede voorraad voor ons centraal staan.

Ook digitaal hebben we een grote stap vooruit gezet. Met onze nieuwe webshop maken we het nog eenvoudiger om ons assortiment te bekijken, producten te vinden en direct te bestellen.

Wat tijdens al deze veranderingen hetzelfde is gebleven, is onze manier van werken. Vanuit het hart van de bloemenwereld in Aalsmeer staan we iedere dag klaar voor kwekers, exporteurs en bloemisten. We denken mee, schakelen snel en zoeken samen naar de juiste oplossing. Van producten direct uit voorraad tot maatwerk dat volledig aansluit op uw wensen.

We nodigen u van harte uit om onze nieuwe catalogus te ontdekken en u te laten inspireren door de vele mogelijkheden.

Heeft u een specifieke wens of vraag? Neem gerust contact met ons op. We denken graag met u mee.

VASE THE WORLD .NL

Meet
Vase The World

FROM A WORLD TRIP TO VASE THE WORLD

The story of Vase The World began in 2008, inspired by beautiful products, craftsmanship and designs discovered around the world. What started with a first collection of exclusive pottery has since grown into an international wholesale brand with a distinctive range of vases, pottery and home accessories.

Over the years, Vase The World has developed a recognizable signature: contemporary, distinctive and always created with an eye for shape, material and the latest interior trends.

OUR COLLECTION

Our collection is continuously evolving. In 2016, pottery was complemented by a unique range of mouth-blown glassware. Glass has since become one of our most important product categories and a defining part of the Vase The World identity.

In 2022, luxury home accessories were added to the collection. Many products are designed in-house, resulting in collections that feel current while remaining unmistakably Vase The World.

A NEW CHAPTER

Today marks an exciting new chapter for Vase The World. Together with Proflor, we are bringing our expertise, collections and inspiration closer together at our new location in Aalsmeer, with 11,000 m² of space for our warehouse and Cash & Carry, as well as a 400 m² showroom.

Two worlds coming together, with the same focus on inspiring products, personal service and long-term relationships with our customers.

OUR GOAL

Our goal remains as clear as it was in 2008: to discover and create beautiful products that add character to interiors and outdoor spaces.

And as Vase The World enters this new chapter together with Proflor, we look forward to what's ahead — new combinations, new inspiration and even more to discover.

VASE THE WORLD

OUR COLLECTIONS

'A world of exclusive pottery, vases and home accessories'

DIFFERENT STORIES, ONE VASE THE WORLD

Our collections each have their own character, but share the same DNA: handmade, authentic and inspired by the world around us. From timeless essentials to unique statement pieces, every collection is designed to bring atmosphere and personality to any space.

Integrated Labeling Solutions

Robotag is the specialist in labeling flower and plant sleeves. Our offerings range from unprinted labels to our complete Label Service, the selection is extensive.

We supply unprinted labels at a competitive price.
We supply one- or two-sided pre-printed labels printed in our print shop. We ship labels to growers in the Netherlands and abroad. We supply sleeves labeled with one or more labels. Your needs and those of your customers are always our priority. With over twenty years of experience and a strong position in the international market, Robotag combines innovation with practical service.

Our two departments, Robotag Label Service, with locations at the largest flower auctions in the Netherlands, and Robotag Sales, a supplier of advanced labeling machines, together provide a complete and future-oriented solution for every labeling challenge.
